

How APS is helping during COVID-19

Together we are facing something most of us have never seen in our lifetimes. The COVID-19 Coronavirus pandemic has us all seeking answers through this uncertainty. We know the pandemic will affect your personal and work life. APS is here to help.

If you are having difficulty paying your energy bill during this time, they will not shut off power for non-payment, and are waiving late fees as well. We thank them for their comfort and support during this time.

You can call them at (602) 371-7171 (Phoenix) or (800) 253-9405 (other areas), weekdays from 7 a.m. to 7 p.m. Additional resources and programs are listed on their website at aps.com/support.

In addition, APS is setting up a Customer Support Fund that will be available starting Wednesday, March 18th.
