#### ***Interested in AFLAC?***

AFLAC offers Supplemental Coverage which pays benefits directly to the Policy Holder (you or your beneficiary) to help cover out-of-pocket expenses associated with an accident or illness. AFLAC policies are 100% paid for by you, the policy owner. That means that you can take the policy with you if you change jobs or retire.

NACOG is pleased to offer AFLAC supplemental coverage for the following areas:

- ✓ Accident
- ✓ Cancer
- ✓ Intensive Care
- ✓ Short Term
- ✓ Disability
- ✓ Life
- ✓ Hospital
- ✓ Indemnity
- ✓ Other Specific Health Events (critical care)

If you are interested in finding out more about AFLAC policies, please contact the AFLAC Regional office and speak with Brendon Fox at (928) 607-5645 or email him at [brendon\\_fox@us.aflac.com](mailto:brendon_fox@us.aflac.com).

#### ***Already have an AFLAC policy????***

If there have been any changes since you first took out your policy, such as a new address, a change in spouse or dependent, even a job or salary change, please contact Brendon to make sure that all of the information on your policies is up-to-date.

They are also happy to assist in filing claims and answering questions about your current coverage.

**Don't forget, AFLAC Accident and Cancer plans pay annual Wellness Benefits – have you been collecting yours????**
