CORONAVIRUS COVERAGE UNDER YOUR NACOG MEDICAL PLAN

There is a lot of fear and concern regarding coronavirus and new and rapidly changing information is inundating everyone. We want to alleviate at least one concern you may have - how testing and treatment for the virus are covered under your medical plan.

- Diagnostic testing for FDA approved products designed to detect SARS-COV-2 (the illness) and COVID-19 (the virus that causes the illness) are covered with no member cost share.
- Services (i.e., office visits) or items furnished to implement and administer diagnostic testing or to evaluate the need for diagnostic testing are covered with no member cost share.
- If you are diagnosed with SARS-COV-2, treatment/services will be covered in accordance with the benefit schedule.
- If you have any questions regarding coverage, please call Gilsbar Customer Service at 800.445.7227.

See the reverse page of this flyer for tips on preventing coronavirus and stay well!

PREVENT THE SPREAD OF COVID-19 IN 7 STEPS!

1. Wash your hands frequently
2. Avoid touching your eyes, nose and mouth
3. Cover your cough using the bend of your elbow or a tissue
4. Avoid crowded places and close contact with anyone that has fever or cough
5. Stay at home if you feel unwell
6. If you have a fever, cough and difficulty breathing, seek medical care early - but call first!
7. Get information from trusted sources
